Article XI of the Declaration entitled 'provisions relating to sale or rental or other alienation or mortgaging of condo units Part A' is hereby amended as follows:

In no event may any apartment owner lease or rent his or her apartment more than once during the period of his or her ownership.

Provided, however, each owner shall use such apartment as a private dwelling for himself or herself and his or her immediate family, and for no other purpose including business purposes. Therefore, the leasing of apartments to others as a regular practice for business, speculative investment, or other similar purposes is not permitted. To meet special situations and to avoid undue hardship or practical difficulties the Board of Directors may grant permission to an owner to lease his or her apartment to a specified lessee for a period of not less than four consecutive months.

The provisions of this Amendment shall not apply to leases already reviewed and approved by the Association as of the effective date of this Amendment. However, this Amendment shall apply at the expiration of any such existing leases.
