Wellington J Condominium Association, Inc.

Century Village, West Palm Beach, Florida 33417

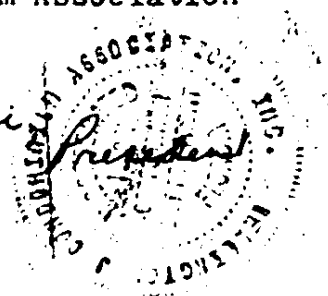

PURPOSE:

To register the following amendment which was voted and approved by more than 75% of the unit owners present at a duly held meeting on October 8, 1991 as follows:

Noise Abatement--Installation of new or replacement floor coverings. Ceramic tile and hardwood flooring contributes to the transmission of sound throughout a multistory building; therefore an underlaying of cork or other industry acceptable nontransmitting material must be installed between the tile and concrete slabs. This ruling applies to all units above the first floor.

The above will be registered at the Palm Beach County Courthouse by Rita T. Parodi, President of the Wellington J Condominium Association at the above address.
